

WRAP Program Highlights

- A named component level of coverage
- An exclusionary level of coverage
- Terms to match most manufacturers warranty
- Coverage terms up to 10 years/100,000 miles
- Dealer profit participation reinsurance and retro programs available
- Deductibles options include \$50 (disappearing), \$100 and \$200 per repair visit
- Transfer benefit
- Additional benefits include: towing, jump-start, flat tire change, vehicle fluid delivery, lockout assistance, rental and hotel/motel reimbursement

WRAP Coverage Levels

CostGuard Plus WRAP

Electrical: Alternator, voltage regulator, windshield wiper motor, manual switches, starter motor, starter solenoid and ignition module, distributor, main engine wiring harnesses, windshield washer pump, electronic level control compressor (including sensor and limiter valve), power window motors and gears, power door locks, convertible top power motor, fuel management controls (including modules and sensors), ignition management controls (including modules and sensors), electronic and standard instrument clusters, compass, thermometer, automatic temperature control, keyless entry system, power antenna, power seat motors and adjusting mechanisms, electronic driver information display and module and speed control

Steering: All internally lubricated parts in the steering box as well as rack and pinion component, power steering pump and power cylinder, seals and gaskets (for covered components) control valve and cylinder, cooler lines (metal only), main and intermediate steering shafts and couplings. *The steering box is covered only when damaged by an internally lubricated part covered under the contract.*

Front/Rear-Suspension/Struts: Upper and lower-control arms, control arm shafts and bushings, king pins and king pin bushings, ball joints, front-spindles, front-wheel bearings, seals and gaskets (for covered components). Steering knuckles, spindle supports, stabilizer shaft, bushings, rear wheel bearings and struts (excluding cartridge)

Brakes: Master cylinder, calipers, power booster, wheel cylinders, hydraulic lines (metal only) and fittings, seals and gaskets (for covered components only), proportioning valve, ABS sensors, modules/computers and wiring

Cooling and Fuel: Radiator, radiator fan, fan clutch and motor, fuel tanks and fuel lines (metal only) and fuel sending unit

Air Conditioning and Heater: Receiver/dryer, idler pulley, tensioner assembly, field coil, accumulator, temperature control programmer, power module and seals, A/C high/low pressure compressor cutoff switches, pressure cycling switch, heater core and heater A/C blower motor, evaporator, condenser, compressor, compressor clutch, seals and gaskets (for covered components only)

Costguard Complete WRAP (Exclusionary)

Costguard Complete WRAP is an exclusionary level of coverage that protects all vehicle components on new and pre-owned vehicles (including components listed in all previous coverage levels) against the cost of breakdowns due to mechanical defects, subject to specified exceptions.

Exceptions and excluded components are summarized below*.

- Vehicle misuse, commercial use, racing and vehicle alterations
- Damage caused by a non-covered part or an external force or event
- Routine maintenance, leaks and noises
- Repairs or replacements that are unauthorized, for performance enhancement, or subject to a manufacturer's warranty, manufacturer's recall or other coverage
- Any vehicle retrofitted with aftermarket equipment to use alternative fuels including but not limited to: LPG, CNG, methanol, ethanol, or RFG
- The following components are among those explicitly excluded: batteries, body and trim items (including adhesives and convertible tops), fasteners, nuts, washers and bolts, frame, upholstery/seat frames, seat belt assemblies, air bag system and components, glass, sheet metal, weather strips, shocks, cellular phones and other convenience items, equipment not installed by the manufacturer, belts, brake drums and rotors, exhaust pipe system, catalytic converter, friction materials, valve grinding, hoses, light bulbs, lubricants, manual transmission clutch disc, throw out bearing, pilot brushing and clutch components, spark plugs and wires, wiper blades, alternative fuel systems, tires (unless covered under Emergency Road Service), paint, bright metals, sealed beams, headlight assemblies, taillight assemblies and CHMSL stop lamp assemblies. *All electric powered or hybrid fuel parts and components.*

* A complete list of exclusions appears in the vehicle service contract.

The Costguard Vehicle Service Contract Program is administered by a Protective company and backed by Lyndon Property Insurance Company, also a Protective company, in all states except New York. In New York this product is backed by Old Republic Insurance Company. In Florida, Administered by The Advantage Warranty Corporation, contact information above. Florida License #60071.

These highlight sheets are a summary of the Costguard Plan. Refer to the plan's contract provisions for further details, plan and benefit availability. All protection plans are subject to a deductible, exclusions, conditions and limitations set forth in the service contract.

Additional Benefits*

Towing to the nearest qualified repair facility

Jump-starts to charge a weak or dead battery

Flat tire changes in the event of a flat tire

Vehicle fluid delivery to provide gas or fluids

Lockout assistance to unlock a vehicle

Rental reimbursement in the event of a mechanical breakdown of a covered part

Hotel or motel reimbursement in the event of a mechanical breakdown of a covered part

Transfer benefit if vehicle is sold while the service contract is still active

* All plan benefits are subject to maximum reimbursement limits, may not be available in all states and may be different for each vehicle protection plan. Please see your service contract for all details.
